A MESSAGE FROM THE MANAGER

JOSH WEEKS

June was a great month for the course. All the hard work Jon Haak and his grounds crew did on the greens in May is evident by the tremendous greens we now enjoy. If you see him or his crew out, thank them for their tremendous efforts. July is the unofficial start of the golf outing season. We have several outings over the next few months so please be aware that the course may be closed on a Friday or Saturday morning to accommodate the large outings. The staff and I want to thank you for golfing here with us. We know you have other options for your golfing fun and we truly are thankful you have chosen us. We will continue to work hard to provide you with the very best experience we can offer. Remember to please join us for an upcoming tournament. We have some great ones right around the corner!
