A MESSAGE FROM THE MANAGER

JOSH WEEKS

Greetings! August is one of our busiest months of the year. With tournaments, outings, high school golf matches, and increased regular play we see a lot of smiling faces in August, hopefully, we will see you as well! The course is in great shape this year and I can't thank our Grounds Superintendant Jon Haak for all the work he and his crew has done this year. This month we will lose 2 great employees as one will be moving away from the area and one will be returning to school. I just want to thank Bayleigh and Grace for all their work this summer if you happen to see them in early August please give them your best wishes. Remember to keep booking those tee times either over the phone or online. Stay hydrated my friends!
