

# THE EAGLE'S NEST

JULY 2022

## ***A MESSAGE FROM THE MANAGER***

JOSH WEEKS

June was a great month at the golf course. We hosted our 2nd Annual Father/Son Tournament and we saw a ton of golfers, Unfortunately, we also saw extremely dry and hot conditions. Our grounds crew has been working diligently to combat the dry hot conditions with extra water for the greens and fairways. July will hopefully bring us some rain for the course and all of our farming friends that need the rain as well. During this month, we have a couple of days the course will be closed to the public for the majority of the day. We have a large company outing on July 15th and July 16th. The course will be closed both days until 4:30pm.

July 4th is a Monday this year so Manic Monday WILL NOT be observed on July 4th.

SET UP AND TEAR DOWN	

When you have your Event at the beautiful Eagle Creek Golf Course you get nestled in the heart of 34,000 acres of woods and prairies on the banks of Lake Shelbyville. This Par 72 course was built in 1989 and is fun for all ages, and we offer four different sets of tee boxes. We look forward to seeing you out on the course!

### **A MESSAGE FROM GROUNDS MANAGER JONATHAN LUCE**

We have been continuing to try and improve the course over the past month. The greens are almost fully healed up despite the tremendous heat wave we have endured. Thank you for the patience the past couple of weeks with us watering during the day in this heat. We are working on repairing irrigation in an effort to keep everything healthy. We will continue striving to provide the best possible course for you to play. Let's hope we see a bit of relief from mother nature this month in the form of rain and cooler conditions for the course and our farming community.
