OCTOBER 2022

A MESSAGE FROM THE MANAGER

Jacob Craddock

I would like to introduce myself as the new Director of Golf at Eagle Creek. I am excited for this new opportunity and look forward to meeting all of you. Here is a little information about myself. I was born and raised in Tuscola (Go Warriors). I grew up on Ironhorse Golf Course and have had an interest in golf my whole life. I graduated from Illinois State University with 2 degrees in Human Resource Management and Organizational Leadership. After College I had an internship with Titleist traveling all over Oregon and Washington running events on various courses for Titleist. I am glad to have started here at Eagle Creek because it has always been my dream to work within the golf industry. I look forward to meeting everyone.
